“*To the Jablway family, I had the pleasure of working with Richard at the Utica office for several years up to his "second" retirement. His upbeat attitude and friendly smile left a lasting impression on all who knew him. My deepest sympathy to all of his family who he always spoke so highly of. May he rest in God's peace.*

“ Dear Virginia and family, So sorry for the loss of your beloved Richard. I worked with him at the Utica AAA office and also knew him when he worked in purchasing. I will always remember him as a very caring person, willing to do anything for anyone. I can still picture him pushing the stock cart through the lobby at the office, dodging members sitting waiting for service. He always brought a smile to my face. My thoughts are with you.
