“ Richard and Parker (together again ❤️) spent many afternoons dog-sitting and playing with our golden doodle, Lucy, whom Richard nicknamed “Larry”. Larry will forever love Richard for always sharing his carrots with her and we will forever miss him.

“ *The memories that stand out to me of my brother, are mostly childhood memories. Playing catch in the front yard in the summer (he let me use his extra mitt) or making snow forts or igloos in the back yard in winter. My mom has said that I used to beat him up (I don't remember that) . Richard was a Son, a Brother, a Husband, and Father with always a smile on his face. We went to church today our Pastor Dave made reference to the readings that "God loves us no matter how good or bad we are" . We loved you too Richard !*
