“ Mike & Kathy - I've worked with Mike for years, and I consider him a friend. I've witnessed you face life squarely and well, and admire you for it. Some of this strength must have been passed to Mike by his father, so his passing is a loss. Goethe said "Life is a quarry, out of which we are to mold and chisel and complete a character". Pause to mourn, it is deserved. Then carry on. Regards, Dave & Cindy Barnwell.

“ Dear Kristopik family, I am remorseful about your loss and like to extend my deepest sympathy for your loved one Richard Kristopik. From personal experience I know that the death of a love one causes pain and grief and sometimes it seems unbearable. The Scriptures contain comfort that can assist us during times of distress. The ransom of Jesus and the hope of seeing my loved one again in the resurrection brought me comfort. I would like to share these three scriptures with you to give you comfort John 5:28, 29, Acts 24:15 and Romans 15:4. May the God of comfort give you peace and rest.
