“ So many great memories of Uncle Scratch. Playing catch in the backyard, as baseball was a big family sport. If you can believe it, Uncle Scratch could do it. I actually learned how to Ice Skate in a backyard turned into an ice rink. There were many many fond family gatherings and events in Royal Oak. I loved his laughter. OOOOOOXXXOOOOO. Tag, I got you last. My deepest and warmest sympathy to my cousins, Love Dayn Frederic Justin and Family.

“ Uncle Richard was a steadfast presence in my life, together with his wife (Aunt Carol) and all the children and cousins, especially his daughter, Amy and his niece, Diane. Some of my best memories from years ago include our dads sitting outside, around the picnic table, in the backyard, drinking a beer or two, and solving the problems of the world (especially anything to do with GM!). On those summer days of long ago, fond memories of family and friends were created that will always be in my heart.
