“ I worked with Dick at TTM. I just learned of his passing today.

Dick was a hard worker and also a good, kind person who loved his wife and his daughter very much.

I feel fortunate to have known him.

Please accept my sympathy.

“ *I cannot imagine a world without Dick. He was the most compassionate person I have ever know and was the lifeline to many people. He always gave of him self to help others, never saying no. He leaves large shoes to fill and his life as an example of walking with Christ each day. I considered Dick a brother and my heart is broken, but I know Christ is joyful to have Dick back home and that makes me happy. Dick may you rest in peace.*

I worked for Dick at Total Travel and at SpectrumHR. I have never worked with a more kind and personally generous person. Once you met Dick, he was instantly someone you felt at ease with and someone you could count on and I felt blessed to call him friend. He will be greatly missed.

Uncle Dick was a wonderful example and I was lucky to have him as my Godfather. He was very talented and I remember him being able to play any song at the piano. He will be greatly missed.

Dick and I often shared the bus up Livernois during early years at U of D. High. He was a kind, confident and friendly person, age 15. Much to be said for his upbringing and family of origin with his life-long witness. RIP Dick.
