“ I am so sorry for the loss of your loved one. As the days and weeks pass, and you return to life's routine, may you be comforted by our ...God and Father of our Lord... the Father of tender mercies and the God of all comfort, who comforts us in all our tribulation, that we may be able to comfort those in any sort of tribulation through the comfort with which we ourselves are being comforted by God". 2 Cor. 1: 3, 4. Please accept my sincere condolences for your loss. Please also find comfort in the following: John 11:11 where Jesus said, "...Lazarus our friend has gone to rest, but I am journeying there to awaken him from the sleep." Our Heavenly Father holds out the hope of the resurrection and the ability to see our loved ones again.

“ He was a master craftsman at GM. Nobody took more care in making sure the trim/ carpet on that new Chevy was perfect. They called it Body by Fisher and I called it Trim by Perhogan. He could fix or build anything. Eg: The indoor basement pool on Culver or the mini wooden Hydro-Plane he would race around Union Lake. RIP , Uncle Richard. You and Rick can now take the boat out on Lake St. Clair every day. If it ever thaws !

“ I agree with Larry & Margaret that Uncle Richard always had a smile on his face. Family was very important to him. I will remember all the family reunions that we had at his house. Even the ones at Grandma Perhogans house were a lot of fun because of him. He is with his brothers and sister now so he will say to them "You're older brother is here now and we all all together now" My prayers to Aunt Patt, David and Jeff and your family. Bless you all.
