“ My heartfelt condolences to the Radatz family. In addition to growing up listening to the exploits of "The Monster" on my radio here in Rhode Island, it was my pleasure later in life to meet Dick, Jr. Although I am no longer at his level, I do call him a "friend" and think of him often. At a time like this, there are no words to make things easier. Just let Dick, Jr. and his family know that they continue in my thoughts and prayers. Be strong, as you Dad would want you to be.
