“ Met Dick many years ago at my first job. He taught me alot about office supplies - what to order and what not to order. When I left that company I continued you use his company's services at just about every place since then. Great guy - always had a great attitude and sense of humor to boot!

“ To the Rugula family - Our little "Dickie" is an individual that we have grown to dearly love. He always enlightened our visits. We have missed him in the last few months and will greatly miss him from now on. We know he is watching over us and will continue to guide us as a Father, Grandfather and close Friend would. Our thoughts and prayers are with all of you.
