“ Kathy and Ken, We are very sorry for the sudden loss of your father. You two were fortunate to of had such a great dad. It shows in the family values and love you two inject in your daily lifes. This of course is much to do with the values and love your dad instilled in your lives. Your Dad put much value on family. It's never easy to lose anybody non the less your father. But your Dad lives on in each of you which is a testament to his value on family and love. Even though these times are tough rest assured your Dad is resting with our savior looking down on his family getting a nice pat on the back and a "job well done" on being your DAD.
