

Richard W. SIRR

March 8, 1952 - December 26, 2021

Richard William SIRR passed away on December 26, 2021 at the age of 69. Husband, Dad, "Ricky", Papa, Grandpa, and friend. Wife, Sue Ann, and Rick shared in love and marriage for over 48 years. He was the son of Bill and Barbara SIRR.

The greatest thing about Rick was his love. He was filled with the love of God and he poured out that love onto everyone who was around him. He was an ardent follower of Jesus Christ. He served for years as a church usher, deacon, elder and Sunday school teacher. Rick loved to share his passion for Jesus with everyone. He will be remembered by most as knowing "something" about everything and everything about most things. If you had a question, you knew to ask Rick, and he would have your answer. Rick loved to be outside (cold or hot), spend time in his backyard working on his pond, taking pictures with his grandkids, and making videos to send to family. Rick is survived by his wife Sue Ann, 3 children Jennifer, Michael and Kevin, 6 grandchildren, father, and 3 sisters.

“ We loved him. He was a very special friend. He certainly shared the love of Christ. My heart feels a hole. Our children went to St. Pauls together. We went to see Mike's and Christi baseball games. We watched the school plays together. We played pinnacle. Went out to eat. SueAnn and him came up to Hancock when we moved. We shared good times and the bad. Now he is in heaven. We will miss him. We loved him!

“ As time passes I'm still having a hard time believing this is real. My kids say it'll be hard to visit the area without visiting and playing with his "old cars." I don't have the words to express how thankful I am for the visits, and the fact that I was blessed with "extra parents" watching out for me and cheering me on at ball games... I wish I could have one more giant hug from him

The word that definitely describes Rick is love. He loved his wife, children, grandchildren and friends. When we moved to the Upper Peninsula in the winter Sue Ann and him shoveled the snow off the roof with the snow rake. They thought of it has fun! When we lived downstate we had a pinnacle night once a month and some times we played played Bible Trivia and other games. Our kids went to St. Paul Lutheran church together. Many fond memories. Say I love you every day you have an opportunity too. I love you Rick and Sue Ann.

“ My husband Karl and I are so thankful for the wonderful time we spent with Grandma and Grandpa Sirr this past summer adventuring around Michigan. Such a blessing and a joyful time. We are honored to be a part of this amazing family and will miss Rick with his ready laugh and unique tidbits of wisdom.
