“Wow Im shocked to hear that Mr Lock has passed. I always have fond memories of the entire Locke family from my days attending Berkley High. I was always accepted as a part of the family and I can't image my life without them during that time in my life. My deepest condolences to you all.

“It is coming up on 3 years and there is not a day I have not thought about Rick. I miss the laughs up on the roofs. I miss his big heart of gold. When he found out I had never been to the state fair, he saw to it that we went and made sure I got a stuffed tiger to boot: . But most of all I just miss our "Mister" as we all called him. Mark and I often have our best laughs at the memories we have with Rick. 3 years has come, but I have a lifetime of memories : . Love you Mister!!

“ Brian, Carol, and Shawn: I will always cherish the countless memories of being up on a roof with Rick or hanging out by the fire pit drinking MGD's in the backyard. Rick taught all of us the value of hard work, but more importantly how to enjoy life. My thoughts and prayers are with all of you in this difficult time. Condolences, Scot
