“ My memory of Rita is her willingness at Mike's 65th to get on Locke's Harley to go for a ride. I'm sorry I didn't know her better, because her enthusiasm for life's special moments never flagged.

“ *Dearest Boylan family-I have such fond memories of your mom ! I always felt welcomed, even if my elbows sometimes got poked with your dad's fork for being on the table! The ice skating rink in the back was a draw-lotsa fun to be had on Lawson. Rita and Bill were such good friends to Tom and Ida. The last time I saw Rita was four years ago. She aged gracefully and I know you are grateful for her peaceful passing. Her spirit lives on in all of you! Your family is in my thoughts and prayers this week as you celebrate the life of one of Royal Oak's finest!*

“ Whether it be while visiting at the Boylan home on Lawson many years ago, or seeing her at various family events later, Mrs. Boylan's exuberant interest in what was happening in my life and those of my family members will always be treasured. She really knew how to reach out to others. There was such an infectious joy about her, and I think her children's willingness to explore, to take risk, to try new things, was transmitted from her. She knew how to enjoy life while taking seriously what is important: her faith, her family, her work, her community. The Boylan family will be in our prayers.

“ Very sad to hear that the St. Mary community lost another Matriarch influential in so many lives. Her legacy lives on in some of the nicest people I know. I'm sorry that I will be out of town for the wake and mass. The Boylan family will be in our prayers.

“ What a true matriarch she was who built a family of some of the truest people I know. I am so sorry to miss visitation as I will be out of town. I know her spirit will live on. That is a true blessing.
