“ Our sweet and beautiful Aunt Rita’s loss is felt deeply. My father, Leo Dotter, is crushed by her loss. The loving grace she always imparted in his children made her an endearing and indelible force in our lives. Buddie, Leo Jr. Floyd, Danny and myself, Christine were forever changed by her gentle touch and encouraging words. Words cannot express the loss we feel. She touched us and loved all of her great nieces and nephews who are too many to list here. We are comforted that she will exist in our hearts and in our memories and in the energy that surrounds and holds us all until eternity.

We will feel your loss for the rest of our lives but be comforted that you are now part of the universe that circles ourselves, ourselves, our children and grandchildren and the generations yet to come.

You were a gift beyond price and a blessing beyond words.

The Dotter family of Texas, South Carolina and the Dotter-Hamilton family of Colorado.

Our prayers are for comfort and healing to all of your precious family and you are very much joined in your sadness at this loss of your matriarch and foundation.
