“ Justin, Steven & Robin My Heart and Prayers go out to you guys. Uncle Rob left us too soon and I wished there was some words I could say to help ease just a fraction of the pain. I'll never forget as a little boy him picking me up and swinging me around in the air, to me he was a giant. I still can picture him in that Big Sombrero he had with just as big of a Smile. Or the time he bought his first and last Motorcycle and attempted to try and jump our neighbors mailbox. He was not only tall he was strong.....we still have a wrench he bent trying to work on his car! Me and Kevin tried to straighten it out with no luck! He bought a 1966 Corvette fast back with big wheel flairs and he would let me and my brothers ride in the back, of course this was before seat belt law and we would roll around with ever corner he took :) I'll never forget the Christmas eve's at Your house. These only scratch the surface of the memories I have of him. I can't tell you how many people have come up to me at work and told me how smart he was and how much they learned from him. Yes, he will be missed by everyone he touched.
