“ I will miss my wonderful Uncle Bob so very much. He was such a great representative of the steadfast, direct, family-first, Bartlett clan. In many of his mannerisms he reminded me of both my Dad and Grandpa. He tried to come back to Maine a couple times a year, visits we always cherished and enjoyed showing him the progress we had made on the Family Lodge which he gave us a start on. I know that he was very proud of his sons, his service to his country and the wonderful adventures he had enjoyed throughout his life. So fitting that his last days were on an adventure in Hawaii.

“ Bob was our long-time neighbor in Port Sanilac. He visited my father at the nursing home, bringing with him some photos he had taken of the lake. We enjoyed sitting and talking with Bob, sometimes while enjoying a martini. Occasionally, we went to dinner together and a couple times we got him to come next door for a meal. I remember clearly a dinner we enjoyed together with Bob and my father shortly before my father went into the nursing home. Bob ran an extremely successful business and had some great stories about his experiences.

“ We were so sorry to hear that Bob had passed away! As our neighbor in Port Sanilac he was gentle and kind. We have lost a wonderful person. Since we are now in Florida we will be unable to attend, but we are there in spirit. We send our sincerest condolences to his sons, their families and his close friends.

I think of you often and miss you everyday. It just doesnt seem like 5 years ago. I miss your wisdom and our spats about politics. You were one of a kind.
