“ Dear Bobby, Although you were a pain in my side sometimes I loved you and will miss you terribly!! I only wish that you knew how much you'dl be missed! You were always there for me as my Big Brother-many memories like the fireworks display you put on when I could not leave the house from my bike accident, refinishing a used 10 speed so I could have a cool bike to ride as a young teen, spending time in your basement "crib" on Hoyt Street playing vinyl records, and laughing hard at ironically the "Dead Bob Show" at the Renaissance Festival just last year. Don't fret, you know I will look out for my Goddaughter Tina Beana as you did for me and try to carry on the good times we shared and remembering your smile and laughter. I only wish I had the chance to see you fulfill your dream of opening your restaurant - I know the angels are eating well now!!! Love always, Your Little Sister Re

“ To Bob's family, You are in my thoughts and prayers. I remember running into cousin Bob at the park at 15 Mile & Dequindre a few times several years ago. Those were bright and sunny beautiful days at the park. Surprise moments I shared with my cousin who I hardly knew, yet we were connected because we are family! Just simple conversations that left us each with a smile on our face. Just wanted to share that with you. May Jesus wrap His arms around you and may you feel Him holding you through this time. My Love, Cousin AnneMarie

“ Tina...My deepest sympathy to you. Please remember every day that you were the most special person in the world to your Dad. He loved you very much. My deepest sympathy to Marilyn, Ron, Marie and your families. Bob was a great friend of mine for many years of our youthful lives and beyond. A devoted and loving God Father to my first born child, Cheryl Renee, who loved and appreciated Bob so very much. A great friend to my other two daughters, Sarina and Danielle who loved Bob as well. Bob was a very special person in our family. We spent many days, months and years laughing at everything...or nothing at all. Bob was always kidding around pulling a practical joke...or a stunt of some kind...always looking for a laugh in some ridiculous and unique way that only Bob could dream up. So much fun we had. My special prayer for Bob... May you know that you will always be remembered by all those that loved you. The smiles, laughter and love you brought to our lives will remain in our hearts, the memories did not and will not fade. May your spirit always rest in a peaceful, warm and loving place. I will look forward to meeting you again. Deb
