“ My deepest condolences go out to Bob's family. I worked with Bob on many hospital projects..he made them all enjoyable. He also taught me alot about the business. When he retired I gave him a card that went something like this: Retirement..It's you I saw doing cartwheels in the parking lot!!! While Bob will be greatly missed I will choose to remember him now doing cartwheels in Heaven! Bob touched a lot of peoples lives...and made us better for it. Colleen

“ *IN MEMORY OF UNCLE BOB* Love is not an easy feeling to put into words; nor is loyalty, trust, or joy. However, Uncle Bob was all of these. He loved life completely and he lived it intensely. He is in his backyard, hosting one of Grandma Mays' many birthday celebrations. ? Who wants an ugly one?? he would shout, as he picked-up a blackened, twisted dog that had been on the grill too long. He is in his swimming pool, that beautiful silver hair shining in the sun, tossing the kids over his broad shoulders, to laughingly splash into the cool water. In December, he is at the Weston's for the Christmas party, laughing at Ethel, as she arrived late again! in her best holiday pajamas. Uncle Bob was everything a good man should be. We loved him as a brother, a father, an uncle, and a friend. He gave us strength in times of trouble, wisdom in times of uncertainty, and sharing in times of happiness. He will always be in our hearts.
