“ Dear Gerry, I will remember the happy memories. We were very close, Uncle Bob would call me all the time after Aunt Betty passed away. He had major health issues and would tell me the doctors told him not to drive. Please remember I tried reasoning with him and I contacted you Gerry, my mom was very ill. After many phone calls I went to the Secretary of state here in T.C. and filed a form to have his health assessed. I was afraid he would get in an accident and hurt himself or other innocent people. I didn't want him to know, I told Dawn and she called uncle Bob. I don't regret doing what I did. He had been in 3 accidents. I got the wrath of con from him. My last words to him were I did this because I Love you and I hope before he died he realized that. I'm sure you had your hands full. I will miss him and his beautiful poetry. He is at rest now! God Bless You and may the healing of a hard relationship heal in time. Chris Carr
