“ *Dear Mrs. Culbreath and Family Please accept my deepest sympathy. I had the opportunity to work with Bob since 2006 until he was not able to come in to work. He was such a dedicated employee, but more importantly I will always remember him in my mind as a gentle and kind man who loved his family very much. I am very glad to be able to say that I knew and worked with Bob Culbreath and he will be missed. P.S. - I am very sorry that I was not able to be there at his service. I would have liked to see the family he loved so much and hear more wonderful memories about his life.*

“ I'm not well enough to be with you so I mailed cards yesterday but I think I forgot to sign them @!#* It seems like yesterday that the "Langley" family had a sleep-over at the Gorski's for his wedding day. A quiet, shy, polite serviceman was going to marry my cousin and drag her off to Germany. Was that 40 years ago already? Once Bobby and Kimmy Rae were born we got to know Bob better. Still polite, very generous but much more comfortable around our family. He bonded pretty closely with my Dad and Mom and fished the Saginaw Bay with my Dad every chance he got. He loved the peacefulness of the water but never did acquire a strong stomach for the rocky waves. It was a pleasure watching him be loving and generous to everyone he held close. Although he was fun to tease he always gave it back. It has saddened me to know that he had to suffer for such a long time. As difficult as it will be to not talk to him again, I know everything will be OK. Thankfully he no longer has pain! I pray that my cousin who served his country, was a great and funny human being, terrific husband, father, and Grandpa rests in peace! My prayers to cousin Dee and the kids as they forge ahead without Bob.
