DR

“ Dear King Family, We will miss Bob dearly. His sense of humor and technical knowledge were fun and very interesting. Barb, you were always their whether he needed you or not. Many hours, plenty of driving in all kinds of weather was most admirable. I know you miss him very much. He and your family are in our thoughts and prayers. May he rest in Peace.!

“ So sorry to hear about the news about Uncle Bob. I remeber the King Family going over to our house for evey Christmas Eve dinner when we were growing up. If I recall, he brought the ham and other goodies. He always liked to play cards also. Your family is in our thoughts and prayers.

“ My memories of Uncle Bob. -Loved playing cards at all family gatherings, the favorite being pinochle. He was a master, immediately had that hand's strategy mapped out. If you were his partner and played "the wrong card" look out, because Uncle Bob let you know it! -Cutting down the old Cherry tree in Grandpa Rosinski's backyard, late 1970's? My dad and Uncle Bob did it together. I remember climbing that tree and eating those cherries very well. -Various discussions about guy things, like cars, computers, etc. Rest in peace Uncle Bob.
