Robert's life was a testament to his passions and his unwavering commitment to family and community. A devoted member of St. Philip's Episcopal Church in Rochester, MI, Robert joined the church choir at the age of 12 and continued to share his love for music throughout his life. His musical talents extended to singing in the Gilbert Jackson Chorale and performances as a guitarist at church and other various events.

His love for all things NASCAR and his engineering talents were evident throughout his distinguished career, which included 20 years at Chrysler and

20 years at General Motors. Robert's genius-level intellect and problem-solving skills were also apparent in his passion for building computers, helping others with anything that needed fixing, and his ability to tackle challenging puzzles with ease. He was a man of boundless curiosity.

Robert was known for his engaging conversations and his knack for making friends wherever he went. His generosity and willingness to help others were legendary, he was often seen lending a hand, whether it was fixing a fellow church member's car in the parking lot or offering his expertise to anyone in need. His legacy is one of kindness, skill, and an insatiable zest for life, but above all, his unwavering love and devotion to his cherished family.

Robert Halbach Jr. will be profoundly missed by all who knew him, but his memory will live on in the hearts of his family and friends. May he rest in peace.

In addition to Robert's wishes to have a green burial, the family is asking that any flower arrangements be purchased in glass vases only in an effort to reduce the use of plastic and other non-recyclable waste.

“ Susan and family, my thoughts and prayers are with you at this difficult time. Susan, you and Rob were like family to me when I was at St Phillips! And I'll never forget when you came to visit in Virginia Beach. That was so special. I'm so grateful I had the opportunity to see you both when I was back in MI in 2023. With Deepest Condolences, may Rob's memory be a blessing. — Audra Evans

“ *Rob was like a brother to Bill Wagner and me. We attended St. Philip's our whole lives together and shared many common interests such as our faith, music, and downhill skiing. Rob fixed our record turn table once. Our love and prayers go out to Sue and all of the family. There is a new bass singer in heaven. Love, Pat and Bill Wagner*
