“ I have observed Bob's kindness over the years. I'm Bill Case's niece and I have watched from a distance the supportive friend Bob was to my uncle. He was one of the regulars that continued to visit the rustic cabin in the U.P. I'll never forget the time my mom and I were walking down an extremely rustic road near the mountains, only to look behind us and see Bob driving on the two - track, trying to find the cabin. We laughed and laughed at his determination. More recently, I remember a great chat at his car window in Bradenton, FL. When he drove away, I remember thinking, "That guy is so nice. He always seems so genuinely happy to see me." I believe that was the last time I saw this special man. Cherish the memories and please know how he showed kindness to, in so many ways, a stranger. ~Megan Case Hintz

“ I had the priviledge of calling Bob my friend, met him through Amateur radio. Bob helped his radio club in many ways, and helped a lot of hams get their license....He will be greatly missed by many. Rest in Peace with Jesus my friend, until our turn to come home . . .

“ Bob was one of the first people I met at Rochester First Assembly..He always made a point to give my husband and I a hug. I now that he and barb gave so much to the poor in Pontiac and to service at the church. He was a great example of a humble servant. Love, Bob and Shelley Roose

“ I have often referred to Bob and Barb Lang as a "Pastor's Dream come true." They were always giving themselves to helping with the needs of others. Bob loved people unconditionally. Whether that person was the poor in Pontiac or the strong successful business man in the church - they were all candidates of love to Bob. He and Barb would volunteer to serve continuously around the church: Pulling weeds, counting offerings, stuffing envelopes, praying at Dearborn, picking up speakers from the airport, greeting at the door, duplicating cd's, serving as an Elder on the Board, etc. The list goes on and on. AND they always did it with a heart of love and joy.

Bob loved his pastor with an unconditional love as well. I never felt like I needed to please him or prove anything to him. He just loved me with all of my flaws and weaknesses. I will be forever grateful for your rich deposit into my life!

On the even more positive side; I know I now have another faithful intercessor that will never grow weary and will pray perfect prayers according to His will! Thanks Bob!!!! I look forward to finishing well and seeing you soon. Love, Pastor Richard Crisco

“ My friend, Bob Lang has passed into eternity. I prefer to think of him as having "graduated" from life into the arms of God. He's a kind and gentle soul, a man with a heart of gold. I am better for having known him and will miss him.

“My condolences to the family. Death claims the lives of those dear to us. At times the pain and grief can seem unbearable. My you find comfort in Jesus words "I am the resurrection and the life, he who exercises faith in me even though he dies will come to life.-John 11:25

“ *Bob was a man of deep faith!! He believed in the power of prayer and knew that God would answer the prayers that He prayed. I don't know of anyone with more faith than Bob and Barb.*

A few years back, Bob played Jesus in a procession (play) we were doing at church. He was so honored that we picked him over the younger looking Jesus.. It was we that were honored that someone of His character and quality would consider taking the position!!! He was beyond fabulous!!! He was anointed for that spot.

Bob and Barb have been selfless in the care for the body of Christ!!! Many hours of praying for the sheep, helping in the Healing meetings on Tuesday nights, as well as, serving as an elder in our church! He was trustworthy, faithful, full of wisdom and brought an excellence to everything that he did! Thank you Bob!!! You will be missed!!

“ I moved here from out of state when I married Nate I didn't have any family here. Bob and Barb took me in like family and were instantly good friends to me. They would faithfully join me in going to detroit monthly to feed and minister to the homeless and Bob was always sharing the Good News of the love of Christ to many. we shared many great conversations surrounding the goodness of the Lord, dreaming big dreams for the Kingdom, and at times enjoying crazy humor sometimes Bob would surprise me 😊 This earth was rich every day that he was alive and he left a beautiful imprint of commitment to Christ Jesus, loving His people, and being faithful to Gods Word and the great commission. I am a better person for knowing Bob and Barb and for witnessing the example of their love and faithfulness to one another and to the Lord. Two of the most beautiful people I have ever known passed away this week - my Grandma Claire and Bob Lang...heavens gain is our loss and I look forward to the day we see you again. I will always remember you during our special times of worship at Rochester Church and your enthusiasm to express your love and gratitude to our precious Savior. Now you are beholding Him face to face and have heard His beloved words spoken over you, "Well done, good and faithful servant." I love you, Bob and Barb ❤️ Love Kat

“ *The two of you were the first people we met at church and showed us so much warmth and kindness. Our first Sunday tiny Barb held our giant 2 year old so we could enjoy worship and Bob looked on smiling. I will never forget Bob and will always miss seeing him smiling and standing so tall and strong. Enjoy your welcome home Bob! <3*
