“ *Mr. Bartley was my high school History teacher 1980. He knew much, but taught even more - not only of History, and Gov't, but about life and the world we live in. He also showed how History and world events can show what is likely to happen in the future. And if he didn't know the answer, he promised to find it and he always did! Mr. Bartley's family is in our prayers, for he is fondly remembered.*

“ *My family and I extend our condolences to the entire Bartley family. 84 years are many but few compared to the "everlasting life" we are promised - John 17:3. May the precious hope we are promised at John 5:28,29 , Psalms 37:11,29,34 , and the love and support of family and friends comfort you in this difficult time.* *Bethanie Duncan*
