“ *I've had the opportunity of being Clara and Bob's next door neighbor for the past 5 years. I would try to look out for them in the winter time, making sure thier driveway was shoveled off and the car was clean for them. Bob will be greatly missed, he was such a kind, soft spoken man. I feel as though I've lost my grandfather again. My heart and prayers go out the the family and to Clara too. God Bless and my he Rest in Peace.*
