“ Lori,

*Sue and I are so sad to hear of Bob's passing. I will miss most of all the way that he always had that great smile every time he stopped in at Metro to say hello. No matter how crazy or hectic the day was going his visit always made it the best day of the week as we would share stories of when we started out as model makers and fixture builders. Bob always took pride in everything he built and he wanted to know the customer was as happy with it as he was. With the pride that he took in his work there was always one thing he took an even greater pride in and that is his family. Again the smile would get even larger with every update that he would tell when talking about you and your kids. His family is his life and how he will be remembered. I am just very honored to have known Bob and had a chance to be part of it,*

*Bob will be greatly missed, especially on the days when we were hoping for him to stop by and share a memory and a smile.*

“ *My heart breaks for ALL.*

*Bob was a kind and honest man who was always willing to help someone in need. He was proud, yet humble. He was serious, yet humorous. He was dedicated and hardworking.*

*Most importantly, Bob was loyal to those he loved most; his family and his friends. He truly enjoyed when everyone came together for any occasion.*

*There is no doubt he will be missed here. There is also no doubt that he was welcomed by family and friends in heaven.*

*Love and hugs to Lori, Will, Jess, Kenny, and Baby*
