“ Dear Pat I'm so sorry for your loss. Pat, as you know, Bob and I were friends since we worked together when we were 15 & 16 years old at both Holbrook Market in Harper Woods and then at Abstract & Title Co. in downtown Detroit. - I will be forever grateful to Bob for introducing me to the love of my life and the girl that I married in 1955. Marlene passed away 4 years ago on Nov. 15. - Although we did see each other every now & then over the past 62 years or so, I was very grateful that I was able to meet with Bob in 2010 and compare photos of our beautiful families ..- I deeply regret that I found out too late to attend Bob's funeral but please know that my thoughts and prayers are with you and your family.

“ Pat, Kitty, Colleen and Kelly. I was saddened to hear of the loss of Bob, as I remember meeting him when we both were teenagers. We became friends sharing some of the enjoyments such as talking about cars and bowling together winning trophies and other general subjects. Being the godfather of Danny was a great honor for me. Being a friend in those early years of life will never leave me. May God be with each of you and family members. Love; Jack and Brenda.

“ Our Deepest Sympathy to you Pat, Kitty, Colleen, and Kelly and your entire family for loss of your Husband, Dad, Grandpa Papa. Bob meant so much too so many he was our Brother and Friend. I cannot believe we became friends for 40 years and watch our children grow and the many dances and parties we had. You will always be in our hearts forever and we will be by your side whenever you need. Your heart can be empty because you cannot see him or you can be full of the love you shared. You can turn your back on tomorrow and re-live yesterday or you can be happy for tomorrow, because of all the yesterdays that you had with Bob and Dad. Love Eternally Ed and Sharon

“ Aunt Pat, you and Uncle Bob have been in my life since I took my first breath. Growing up, you were both a second set of eyes, a second set of loving hands, and sometimes a second set of no doubt well deserved disciplinary hands. You have been a second set of parents to me, and I love you both as such. Now, I sorrow and grieve with you at the passing of your beloved husband, and the man who has been my second father. Please know, my heart though breaking is with you, my prayers and thoughts as well. I know Uncle Bob has been lifted away from his pain and suffering, and has been met in heaven by those he has loved and love him yet passed before him. I will always hold dear the memories I cherish of him, for they span my entire lifetime. May God be with you all through this heartache. All my love, Heather
