Tribute Wall

“ Robert & I connected the minute we met. He was a father figure & best friend to me. He was the most generous person I've ever met.. And funny as hell! There's not enough space here or words I can express for all the years of the close relationship we shared. I love you so much Robert. RIP you beautiful human being. Until we meet again, Maureen

“ *We remember meeting Robert for the first time up at Dennis & Terrie's cottage; we had so much fun. A time we will never forget! Robert was an amazing cook and to this day, every time we have Prime Rib or Crab Legs we say, "The best we ever had was how Robert prepared it!" We also want to say how much we love you Dennis and Terrie, our thoughts are with you. Praying that Peace be felt for all of Robert's loved ones during this time. With Love, The Rose Family*
