“ I cant say how sad this makes me feel :). Bob was a friend. I bowled with Bob and would spend time talking and laughing about bowling and Bingo. I can honestly say that bowling wont be the same for me.

“ Paul and Stella, and the rest of the Palazzola family, our deepest condolences from Dar and I. We have many many years of memories on the softball fields back in the day. Bobby was ALWAYS the guy you could count on in the old Larry Schmittler teams days. He was always upbeat, never angry-----just an all-around great guy. God Bless You Bobby.

We saw Bobby regularly at Jovan's, 15 Mile and Dodge Park having lunch. He always showed a great deal of respect for my 96yr old uncle. Bobby was old school with manors. The waitresses loved him, so did everybody that meet him.

I met Bob thru the St Blase Bowling League. He was so popular with all the bowlers.that he was elected Vice President a number of years back and just retired from that position last season. We developed a close relationship from the League association and we would talk frequently about bowling matters. As much as we talked I never new about his Vietnam experiences. I liked to attend the 4:00pm Saturday mass at St Blase and I could always find him in the same pew to exchange greetings. I valued his friendship and will miss him greatly. He will be able to bowl now without worrying about any interruptions.
