“ I can't believe my father has been gone over 13 years now. More than that, I can't believe my dear mother joined him almost 9 months ago. While it is incredibly sad to know I'll never see my parents again in this world, I have total faith that I will see them in the next one. I know they are both at peace in God's kingdom, and I can feel their presence with me as I continue on my journey in this life. I'm grateful that Bob Penzak and Janet (Price) Penzak were my mom and dad. I'll see you when I get there.

“ What fond memories I have of growing up with Bob as our next door neighbor. We will miss you. I know you and Dad are together telling great stories of the memories of wonderful times between our families. I take great comfort in knowing that you and Dad went to heaven together within a few days of each other. Jan and Scott, you are in my thoughts daily. Until we meet again, all my love, Kathy

“ Jan.....I am so sorry for your loss. I know you are hurting but know you have your own very special angel watching over you and protecting you. He will keep you strong. I will always remember going out to the car and talking with Bob and listening to his words of wisdom to keep him busy while you were visiting and getting prescriptions. He always made me laugh and I smile when I think of him. I loved him and I love you. Your faith in God is going to get you through.

“ Dear Janet, Lena, and Scott, Warmest condolences for the loss of a loving and loved husband, father, and son. Bob faced adversity with such grace that he has become an inspiration to everyone who knew him. The source of that grace was his faith in God and love for those around him. We will miss him, too. Love, George and Charlotte Kalligeros

“ Dear Friend-We miss you so much already. I am sure it was in God's plan that you and Joe enter His kingdom within three days of each other. I can imagine you sharing memories of the good times we had together. Jan and I are blessed to have been so loved by our husbands. We take comfort in knowing we now have two angels to protect and care for us as we continue this journey. We know that our friendship will sustain us and that we will always be there for each other. May you rest in eternal peace. Patti Reeves

“ Dear Janet, Lena & Scott, I am deeply saddened by the death of Bob and share your grief. I loved him very much and I am so sorry that he will not be here to help me celebrate my ordination. He has been a strengthening influence as I travel this difficult road. Janet I love you both and I know that you will remain by my side and Bob will also in spirit. Much Love, Don
