“ *I have worked with Bob for over 10 years at JVIS in Clinton Twp. Man did we have some good times the laughs an all his corny jokes, always made my day. We would also have serious talks about our lives good times an bad he would always have time to talk no matter what. An that is what I will miss the most. We also had nick names for each other he would call me the Polak an I would call him FF (private joke lol). An it was always in fun never meaning no harm to each other. I will really miss my dear friend Bob until we meet again Rest in Paradise, Love always your Polak friend Linda*

“ I worked with Bob for many years at Venture/Cadence/Jvis and I won't ever forget him and will miss his stories and advice and definitely miss making him laugh so hard he would start coughing to the point he sounded like he was choking every time. Rest in peace 'dummy' (inside joke) you were one of a kind and will be missed dearly every day.

“ Was not able to get my car out because of the storm and am sorry I could not make it to the funeral today and see all of you. My sympathy to each of you. Bob was indeed a dear friend of mine and I have many wonderful memories of our visits together after the death of your mother. I pray for your comfort during this grieving time, however, you have the joy of knowing that he is resting in the arms of Jesus. God Bless Pastor Witt

“ *When I heard that you had left us
I was simply blown away
How could that be possible?
We were laughing yesterday.*

*Your dry wit and your humor
Your 'grin' and devilish smile
No one knew what you'd do next
You had one unique style!*

*Oh how I'd anticipate you
Clocking "in" for the shift
How I waited for your quips
You had a truly special gift.*

*Always there for everyone
So dependable, sincere
Kind, gentle and caring
Felt good to have you near.*

*So, my dear departed friend
I'll think of you each day
Peace and rest and comfort
I hope you've found today.*

*This poem is for our Dear departed friend Bob from Shipping
Department at JVIS.
May you rest in Peace!!!*

“ I only got to meet Bob a few times, but every time I soon found myself playing a game with him. Mini golf, cards. When he started suggesting which cards I should play (without having seen my hand), I knew I was in way over my head!

When I first met Bob he was selling fishing supplies like his father. I thought that must be something special, following in his father's footsteps. I played a lot of poker with Bob, his father-in-law, my Uncle Don, and my dad. They were all special times that I truly miss.

Carrie, Tim and Brian, we were so sorry that we couldn't be with you. Because of the storm we couldn't get out of our driveway. Your father went to Mondaynight service and we spoke with him shortly before he entered the hospital. He was ready to meet his Lord and savior. But we care deeply about you kids. It is never easy to loose a parent but you have lost both and we are so sorry for this. Stay close and be there for each other that's what they would want. Take care of your selves. Get the proper check ups so you stay healthy. We were good friends with both of your parents and enjoyed many good times with them. You are all in our prayers. Marge and Jack Bernard
