“ Eleanor and family, We send our deepest sympathy. Bob was such a special person. We have great memories of our times together and know we have missed some times in recent years. Our family remembers the great times we spent with you at your place up north. With love and prayers... Pat and Mary

“ I never knew his real name I'm not kidding for at least my first 3 years at Oak Park. I only knew the man who always greeted me and my friends with a great big smile and a specially tailored joke. I will always remember his colorful stories, stories that could really only be told to fellow cops. I was lucky to see this man at the station during my last week before my retirement in 2006. It was nice to see that great big smile at a place where few smiles currently exist. I will always remember the man I knew as "Boom-ba."

“ So sorry to hear of the passing of Bob who we called Boomba with affection. We recall his laughter and love of jokes. We both worked with Bob for many years at Oak Park. Our deepest sympathy goes out to your family.

“ Dear Eleanor and family, It is with deepest sympathy that I send this message. I use to stop in at Lincoln Drugs to visit with you at lunch time and we chatted about various things. I will remember Bob for his smile and laugh. He loved his family and people in general. On thing about Bob, You could hear him throughout the station. Please remember - "God will mend a broken heart if we give him all the pieces".

“ Dear Eleanor and Family: Audree and I are keeping all of you in our prayers this week. Bob was a great friend and I only wish we could be down state with you at this time. We talked this morning about the "weekend" we all had up North here some years ago when Bob was initiated as Rev. "Bumba" Do you remember that? We love you and hope to see you soon. Ralph and Audree

“ Dear Ellie, Sharon, Jennifer and Stephanie, Sorry to hear about Bob's passing. I can remember his laugh in the halls and in my office when he was working. He was always there to lend a hand when it was needed. He loved to talk about the church and all it's activities in the community. Bob was so proud of all your accomplishments and I'm sure he was a wonderful Grandpa! He will be missed by everyone around him. Sorry I can't be there. Please take care and hold on to your memories of your Hubby, Dad and Grandpa. It will get you through many difficult times. All my love, Elayne

“ Eleanor Liz and I send our deepest sympathy. I worked with Bob many years and had the highest regard for him and have many good memories of our friendship. We've lived in S Carolina many years now and have lost contact with many Michigan friends over the years . We still think & care about those we know. Sincerely
