“ We were Robert Parker's neighbors and we knew him for a very long time. He was a pleasant man and very talented. He loved his guitar, his motorcycle and his partner and those are just some of the things that governed his happiness. Every time I saw Parker, we always said "what'sup" to each other and always talked about our motorcycles and how we enjoyed them. Whenever I saw him, his illness wasn't present, or should I say, he rarely let it show. Parker will be missed, he was a good neighbor and a down to earth type of man. He is with God now and that is the greatest place of all to be; away from this world and its hardships. Thank you God for taking away his pains. The Ishodi Family

“ I am so sorry for your loss. As the days and weeks pass, and you return to life's routine, may you be comforted by our ...God and Father of our Lord... the Father of tender mercies and the God of all comfort, who comforts us in all our tribulation, that we may be able to comfort those in any sort of tribulation through the comfort with which we ourselves are being comforted by God". 2 Cor. 1: 3, 4. Please accept my sincere condolences for your loss. Please also find comfort in the following: John 11:11 where Jesus said, "...Lazarus our friend has gone to rest, but I am journeying there to awaken him from the sleep." Our Heavenly Father holds out the hope of the resurrection and the ability to see our loved ones again.
