“ Mary, ITerryarrived at Bob's Mass right at 10:30, so I was unable to speak to you prior. Afterwords, you were already in the limousine when I left the sanctuary. I feel remiss in not speaking to you personally. I was there almost from the begining. Your Dad was so leery at first. But he was just being a protective father. But at your wedding he just beamed. His daughter was not only marrying a good person to love and protect her, but a man who was a true treasure to all that knew him. The last time Bob and I spoke, I shall always remember. First, the fact that we had all run into each other excited him. Later, as he and I were each hoisting a tankard, he asked about our 3 children and how they were doing. We talked about family, children and career. Everytime I said that we were blessed, happy and thankful his eyes lit up with joy. Sincerly, I think he was very proud of the fact that you had introduced us, and all had turned out well. There is a plan for all of us here on earth. What Bob did was to fulfill that plan, and then take the rest given to him by the Almighty. A rest and reward given for a job well done. AD

“ Bob and I worked together for several years. One of the first things that I remember is the calls that he got from his niece Caroline. He loved her very much. We had great fun! We had our pictures on the wall and based on current events, we would put hats on us. For example, When we were talking about going into Iraq, We put army helmets on the pictures. We also had serious talks. Bob & I agreed that we were fortunate to have lived when we did. He witnessed the beginning of rock n roll, television , space travel and computers. Bob always spoke very highly of his family and, of course, Mary who he loved dearly.

“ I am so sorry to hear about Bob. Bob was in our group at General Motors Truck Product Engineering. He was certainly a most highly respected member of our GD&T team. “ Uncle Bob: You have always been such a wonderful man who made me feel welcome to the family from the very start. I feel truly blessed to have had you in my life and was able to call you my Uncle. I am saddened you had to go to Heaven before we were ready to say goodbye and am grateful for all the memories that will forever live in my heart. I know you are at peace now in a place where there is no pain or suffering. Someone told me once that our loss is Heavenâ??s gain and that somehow makes it almost bearable to let you go knowing you will be a guardian Angel watching over us. Auntie Mary will be in good hands here. You will always hold a special place in our hearts and will be forever missed. I feel the world was a better place for the short time you were here - to all that knew you. Until we meet again. We Love you always - Denise, Andy, Ashton, Aiden & Austin.

“*Dear Uncle Bob, You will truly be missed! You touched the lives of so many people and made us laugh along the way. From slumber parties with Auntie Mary, taking walks, teaching me to ice-skate you were there for me a when I was younger. I guess I never understand why things happen the way they do as to why some suffer and some never do. You were put through so much which does not seem fair, but you took it in stride and never once showed fear. You fought for so long I guess that God wanted you to be at rest, which is why he finally took you into his arms. I pray that you are now with God and that you are in peace, which you so deserved. P.S. when you see Grandma, tell her I said hello. Donâ??t worry about Auntie Mary we will all take good care of her. You both have always been there for me so I promise to be there for her. I, as so many, will truly miss you, but you will never be forgotten! Until we meet again, I love you! Love Always, Renee*

“ Dear Bobby, I am so sorry that you had to go through the pain and suffering you did. I do know that God put you on Earth to touch many lives. Everyone loved "Bobby"! Everyone has a "Bobby" or "Rabbi" story. I remember the first time I met you was on my first date with Tim at some baseball field never been back since! You and Mary were so nice to me. We spent so many fun times at your house and you were always so gracious. I recall when you and Mary and Tim and I went to the Construction Ball at Henry Ford and it was kind of boring and Mary and Tim were gambling with their fake money and you and I talked all night...and then we discovered the dessert table and the chocolate fountain....yum how good chocolate and beer tasted together. We had a blast that night! Remember Tim and my wedding when I was ready to go down the aisle at St. Gertrude and they couldn't find you and people were yelling "RABBI, RABBI" and of course those who didn't know you were turning around wondering what the hell was going on! Funny stuff Bobby! One more funny thing...remember when Mary had the surprise birthday party and she invited everyone in the state of michigan? It rained cats and dogs that day and everyone trashed your carpet! It was worth it...we all had so much fun! Most of all I will remember how much you loved Caroline and how you always cared for her like your own...you taught her so much; she has so many memories to keep. She loves you and Mary beyond words. We all will miss you buddy. Until we meet again....

“ **LETTER FROM HEAVEN** To my dearest family, somethings I'd like to say. But first of all, to let you know, that I arrived okay. I'm writing this from heaven. Here I dwell with God above. Here, there's no more tears of sadness; Here is just eternal love. Please do not be unhappy just because I'm out of sight. Remember that I am with you every morning, noon and night. That day I had to leave you when my life on earth was through, God picked me up and hugged me and He said, "I welcome you. It's good to have you back again, you were missed while you were gone. As for your dearest family, They'll be here later on." God gave me a list of things, that he wished for me to do. And foremost on the list, was to watch and care for you. And when you lie in bed at night the day's chores put to flight, God and I are closest to you....in the middle of the night. When you think of my life on earth, and all those loving years, because you are only human, they are bound to bring you tears. But do not be afraid to cry: it does relieve the pain. Remember there would be no flowers, unless there was some rain. I wish that I could tell you all that God has planned. If I were to tell you, you wouldn't understand. But one thing is for certain, though my life on earth is o'er. I'm closer to you now, than I ever was before. There are many rocky roads ahead of you and many hills to climb; But together we can do it by taking one day at a time. It was always my philosophy and I'd like it for you too; That as you give unto the world, the world will give to you. If you can help somebody who's in sorrow and pain; Then you can say to God at night.... "My day was not in vain." And now I am contented....that my life was worthwhile. Knowing as I passed along the way I made somebody smile. God says: "So if you meet somebody who is sad and feeling low; Just lend a hand to pick him up, as on your way you go. When you're walking down the street with Me on your mind; I'm walking in your footsteps only half a step behind." "And when it's time for you to go... from that body to be free. Remember you're not going.... you're coming here to Me." Dear Uncle Bob, You will always be in our hearts Love Emmily, Mark & Savannah

“ Uncle Bob, I could write a novel on here about all the times and memories we shared. The knowledge you shared with me has helped mold me into the man I'm today. You taught me the correct way of lifting weights. Which in turn helped me become a college athlete, and even today teach the same methods to the kids I coach. You also shared your knowledge of drafting. As a teacher I share that same knowledge with the future of our country. The thing you taught me the most was to honor your parents and elders. I remember the day I watched your mother when she was sick. That day made me realize what exactly you meant. They took care of us in times of need and it's our responsibility to return the favor. You will be missed but not forgotten! Love, Ken Kandt
