“ Bob was an awesome older brother. We had great times growing up and he had such a wonderful sense of humor. I was so happy for him when he married Kathy, and had a wonderful family. I will miss him and his laugh. He will live in my heart and memories forever.

“ We have many great memories of Bob and the family from the 16 years that we were neighbors on Penrod in Detroit. Bob could always be counted on for everything from gardening tips to fishing stories. We'll always remember his hearty laugh and our little inside joke when he'd ask "what time's the next show? " because of the time that I flashed my husband without realizing that Bob was standing behind him in the dark! May the family find much comfort in the memories of better times, and may Bob rest in peace.

“ *Bob loved a joke, and a smoke. He could sit by the bon fire and keep the conversation going. He had a wonderful laugh, just like his son Bob. He was good company to spend time with, and he will be missed.*

“ *I remember Bob Schubert, always smiling and cheerful, dressed in overalls and ready to go fishing or hunt for game. He was a loving father and a kind husband who enjoyed simple vices, like smoking a cigarette in the cab of his truck. May he rest in peace.*
