“ *To Doris, Steve & Judy, Kathy & Mark and Families,  
My heart is with you during your time of loss. Your Dad certainly  
marks the passing of a huge era in the family history. May the  
struggle with loss be overtaken with a heart filled with a lifetime of  
great memories.*

“ *I have such pleasant memories of Bob when the group went to  
South Padre Island,  
Texas in the winters. He was so informed and would tell us of the  
phases of the  
moon, as we viewed it over the water from the balcony from one of  
our condo's.  
There was also the warm afternoons at lunch in the park on the  
island and we  
will always remember the sunsets as the sun fell into the water in  
the west in  
the evening. And who could forget our going over the border into  
Mexico to  
make duty free and inexpensive purchases, which he as the rest of  
us carried  
into the country. Ronnie Wilson*
