“ Remember the teen-age angst, the experimentation with the alternative live style and escape into rock-n-roll and hockey. You always were a sweet man with a beautiful soul, hardy laugh and enticing smile. I'll always cherish the letters. You came a long way from your beginnings from Northwest Detroit.

“ I love how bob loved his family. Living next door to him was a joy. My very, very favorite memory of Bob happened the night the Wings won the the Cup. After that late game we packed the kids into the car that I had just picked up that afternoon. The kids were hanging out the windows waving the flags and hollering as we cruised Woodward and Main. Bob and I were also yelling and honking like crazy. So much so that we actually blew the horn out and had to take the car in for repair the next day. I loved living next door. I treasure all the times we could spend together, Theresa. Please know you all are still loved and remembered with deep, deep affection.

Very sincerely,
Karen Law

“ As Bob's caregiver for the last 2 years on M,W, and F, his passing shall leave a big hole in my life. I became very attached to Him and the family...dogs included! Our family had the pleasure of knowing Bob in his coaching days, and our paths often connected thru the years. We go nowhere by accident...and those that come into our lives are meant to play a part. In 2013 the care of Bob filled a void left by the loss of my Dad and the life change of leaving a job of 27 years. He taught me a lot about patience and compassion! I will always cherish the journey and the sounding board Theresa became, which will be greatly missed. With much fondness, Kelly Davis and Family

“ Skel was the Best Best Man at our wedding! He saved me from the flying shoes at the wedding dance. He was such a fun and funny guy! I will miss his laugh. I send the family my deepest sympathy. Be comforted by the memories of the good days with this wonderful man.
