“ I miss him so much! I keep remembering how everytime I would call him no matter where, FL, MI, etc. I would ask "what are you doing Grandpa" and he would say "well hello Mrs. Smith, I am just looking out at the lake, it's beautiful here today" .. it's would always make me laugh, because he wasn't at the lake....

“ To all of the Snoor family my condolences go out to you for your loss. I know I will surely miss friend and buddy, Bob. He was a great Guy who I always enjoyed talking to and a great person and neighbor. The thing I liked most about Bob was he could see the best in people and never seemed to be to judgmental. He also gave me some words of wisdom occasionally that helped me and I took them to heart. He will be missed but always remembered.

“ To the children and extended family of Bob & Joyce: "RP" was my mentor; and both Bob & Joyce were two of my dearest and faithful friend's for almost 40 years! Like you, I grieve for their passing...but can't help but smile while I picture them together still through all of eternity! They were having nothing to do with that "till death do us part" stuff! I can almost hear Joyce saying that! Love to you all..and blessings for having had Bob & Joyce touch my life as they did!
