“ Sue, Jeff and Family, we are so sorry about Dad. I always enjoyed talking with him and your Mom. He was a nice man. Saw the notice yesterday in the paper and was too late for anyone to attend. Living north we cannot just get somewhere in 15 minutes anymore which is one of the negative things. We will be thinking of you and hoping you will find comfort in special memories. Always Pat

“ Dear Jean, Kirk, and Susan, I'm Sharon Adams, the daughter of Ace and Sadie Adams, who were your neighbors on Webster so long ago when we all moved into those small houses in the early 1950s. I well remember how much we all enjoyed having you as neighbors, and I can picture your entire family in an instant, just as you were then. Bob was such a kind and pleasant man -- even as a 13-year-old, I picked that up. I read the online obituary and was so impressed with all he'd done. My husband, Pete, recalled you right away -- all of you are present in one of the very few pictures from our small wedding 50 years ago. I am sorry I didn't read the obituary until this afternoon, too late to attend the service. But you're all in my thoughts today. Sharon

“ Dear Jean, Larry and I are so sorry to know of Bob's passing. We always enjoyed seeing you both around town from time to time. Bob was the finest gentleman and a wonderful mentor and boss to me at SME. There are not too many left at SME who knew Bob, but the few I told all said, "Bob was such a nice man." We are grateful for Bob's brave service to our country as well. Jean, you and your dear family are in our hearts and prayers.

“ I am so sorry to hear of Bob's passing. He was a good friend and I never knew a nicer person than Bob. I admired Bob for the person he was and for his service in World War II as a B-17 pilot. I learned a lot from Bob about the war and Bob was a role model of the highest order. God Bless Bob and also Jean and their family. Goodbye, my friend.

“ Dear Aunti Jean and family, Both Tammy and I were so sad when my dad called to inform us of Uncle Bob's passing. He was a wonderful man in so many ways, and he and you Aunti Jean personally provided me with so many wonderful memories while growing up. It's difficult to find the words to express oneself at times like these, but please know that you are all in our thoughts and prayers. With Deepest Sympathy, Jeff and Tammy Plane

“ Dear Jean and Family, Bob was a very dear friend and he will be sorely missed. You have my sincere sympathy. I took pleasure in Bob's company, and I enjoyed his many stories! Bob will be missed at the FlyBoys luncheons. Take good care of each other in your time of loss. Thank you 2nd Lt. Robert Stauffer for your service to our country as a WWII Army Air Corps Pilot. Your last flight mission is as important as your first. God speed, Bob! Love, Cathy Honor Flight Michigan
