“ We are very sorry for your loss. Bob was a good man and neighbor. We appreciated his well manicured yard and the beauty of his gardens. We will never forget his booming voice heard over the noise of the area children when they got too loud. Yes, he was crotchety at times but overall he was a man of conviction and we respected that. Our prayers go out to the family. God be with you Edith.

“ I am truly sorry for your loss. I am certain that Robert will be missed. I hope that you are able to find comfort from the fact that the Bible assures us that all our loved ones who have passed away in death will have the opportunity to come back to a paradise earth. We are also told that on this earth, sickness and death will no longer exists. The earth will turned back into what it was originally intended for. A place where people lived forever in peace, never growing old and always thriving. These are promises we can rely on. I sincerely hope that you found these words to be encouraging and I hope you find comfort in your memories of Robert.
