“ *They say that when you enter this world you enter crying with people smiling at you and when you leave - you leave smiling with people crying. We are all crying and sharing a great loss, a loss of someone that was funny, kind, and full of energy and made US smile. Tina and family I am so sorry for your sadness and grief. Thank you Bob, for sharing yourself with others, from a co-worker and friend.*

“ *Rare is the person who is comfortable enough in his own skin that he makes others feel comforable enough to be in THEIR own skin. Bob was that for me. Working with Bob was to experience the importance of why relationships are what we take from human experience. I will always remember Bob's hospitality, respect, sincerity, and integrity. Thank you for sharing him with us.*

“ When you think of Bob you can only smile. I only knew him a few short years at the bank, but he always had something funny or whitty to say. Tina, may you and your family find peace in your heart during this sorrowful time. My thoughts and prayers are with you.

“ It is extremely difficult to express how deeply I feel about hearing the news that I will no longer be able to share Bob's friendship and support in this physical world. What started years ago as a business relationship between Bob and myself quickly became a warm personal friendship between both Bob and his wife, Tina. It was a privilege to have known him so well, and I will never forget what he has taught me, his thoughtfulness and kindness. To Tina, his family and all those who knew him, I ask to share your loss and to extend my heartfelt sympathy. I shall not miss Bob, as his spirit will live on in my heart forever.

“ Bob will surely be missed by many people. I had the pleasure of working with him for a short time and he was great to talk to during my son's tour in Iraq. May God continue to be with your family.

“ Although I work for NCM in Kentucky, I had several occasions to work with Bob over the phone. He also made it a point to seek me out at a meeting in Denver, Colorado to meet me personally. He was such a delight! Always upbeat, outgoing, so friendly. I enjoyed hearing him talk about fly fishing. I've thought of him often since I heard he was ill. My prayers and thoughts are with his family. May God watch over you and give you peace.

“ When I think of Bob, I see his face, remember his smile, his pleasant disposition, his love for his children, his love for life and for Tina. I believe there are angels amongst us, and Bob is one. I only hope you are looking down from heaven tonight to realize how many lives you have touched. Wendy Beach

“ I just returned back to work today after being off for 4 weeks on medical leave and one of the first emails I read this morning was regarding Bob's passing. I was deeply saddened to hear this. Bob was generally a delight to work with, usually in a upbeat/ positive personality mode and very knowledgeable of the Real Estate/Mortgage industry. Although I haven't seen him much since my transfer to Ohio, we have had many work related conversations over the phone. He will be deeply missed.

“ "Drury" was one of a kind....and kind, he was! We'll miss him more than I can even express in words! He was a "class act" in our minds! Giving, understanding, and always concerned about the other person. He taught me so much in such little time; he was more than just my boss in Traverse City; he was "our" good friend, along with Tina, in Grayling. Our prayers and thoughts go out to Tina and the family, along with many good memories, that will always stay with us. Forever your friends, Bob & Debbie "Bonkers", as "Drury" would call me!
