“ When I think of all of cousins who faced various trials and difficulties throughout our lives, I don't think any of us came close to the challenges Robin faced from the earliest days. Yet through it all she always had such a positive outlook and a sense of humor that was contagious. From this end of the "Shafley Clan" to yours, we extend our condolences and prayers of comfort. And rejoice that Robin can now dance in heaven in a way that her physical limitations in this life could never afford.

“ Robin will always be my favorite cousin. I have a wreath that she made for me many years ago and I look at it every day and think of her. I am so very glad that I was able to spend some time with her at the Michigan Preister reunion in August. My prayers go out to her family who I am also very glad I was able to see and visit with. Her Missouri Cousin, Nancy Ruble (Daughter of Loretta Preister Jackson).
