We love you Aunt Robin - we are going to miss your amazing laugh and the joy you brought to your family & friends. I was so blessed to have the most loving, amazing Aunt anyone could be blessed having in their life. I thank you for that ... Tricia & I thank you & Tom (and the entire family) for being such special parts in each moment of our lives. I'm so happy you were able to come to SC to see the races and all the special moments over the years. This doesn't do it justice - you were and are an amazing Aunt and person to all who love you! You will be missed, but never forgotten. All our love, Tony & Tricia

“ I love to tell the story of how I met Robin. I stopped in Office Depot one August afternoon to print my very first seating chart. I had designed it for a friend’s wedding. Robin came in as it was printing. She seen it and said “who designed that?” I told her “Oh I did I know it’s not perfect but I’ve never done one before.” She looked at me and sharply handed me a business card and said, “Call me on Monday!” I took the card and did just that. From there grew a great friendship! Not only did I get to have fun designing charts for/with Robin at Sizemore Selectives. But I got to travel great distances, do bridal shows where together we worked our magic, sit and shoot the breeze (for hours), kick up or heels and have fun and mostly just have a friend I could always call on! Robin I am going to miss our lunch dates and lengthy phone calls. I am forever grateful for everything that you blessed me with! You will forever hold a special place in my heart until I see you again my friend💕💕

“ Dear Kevin, Sue and family

I'm truly sorry for the loss of your beloved Robin; however, I'm sure she readily responded to God's calling "Come back Home, my dear, for I'm missing that Special Flower, to render my Heavenly Garden more Beautiful, and a "Robin's Nest", waiting for it's Robin to fly back in it, to make the Beauty of Nature, render Glory to its CREATOR..

I'm glad to have met her on a couple of festive occasions of family gathering, and pleasingly, conserve her kind ways of rendering the environment joyful!!!

,Dear Robin: May You, ETERNALLY REST~IN~PEACE!!!

In Jesus' FAITH~HOPE~&~LOVE!!!

“ Where to start... I was 18 years old, bought a house on Woodruff in Warren and became neighbors with Robin and Tom, (who lived next door to us in the "gingerbread house"). Who could have known that within a very short time a true friendship and bond would form that I could not have ever imagined. Robin and Tom (you can't say one name without saying the other) have always been there for us, no matter what life had in store, and at some, if not most of the pivotal times in our life. For this we are forever grateful. Robin always trying to be helpful with whatever she could and you could always count on her no matter what. We have been friends for over 30 years (where has the precious time gone?) and are so thankful for your friendship and being able to have shared countless memories (vacations) together with our families. Robin and her infectious laugh, smile and her big heart will be truly missed. We thank God for the precious time we've spent with you over all these years!! Robin, until we meet again in Heaven our friend. God Bless.

“ Robin you have been the best aunt and sister in law. You gave my April so much love and helped me raise her to a fabulous person. I remember the first day I brought her home, I put in your arms and you cried and fell in love. Thank you Robin for being in our lives. God bless.
