

Rodney Alan Fisher

May 7, 1951 - November 17, 2022

Fisher, Rodney "Rod", age 71, passed on to be with the Lord on November 17, 2022. Born May 7, 1951 in Detroit, Michigan to the late Glen and Mildred Fisher. Beloved husband of Gail, whom he had been with since they were both 17 years old, and to whom he was married for 52 years. Loving father of Sandy (Paul), Karen (Mike), and Doug (Liz). Proud grandfather of Natalie, PJ, Rachel, Ben, Carson, and Parker. Dear brother of Susan Cunningham, Patricia Yettaw, and Janice Markham.

Mr. Fisher was a valued employee of Berkley Schools for 43 years. He enjoyed spending time up north and boating on Lake Mitchell, where he was an avid fisherman. He was a huge sports fan and a true handyman who could fix almost anything, including his '56 Chevy which he loved working on. Most importantly, Mr. Fisher was a man of God who leaned on his faith and found strength in his relationship with the Lord. He will be missed deeply by so many family and friends.

“ Like so many, my memories of Rod stem from BHS. I started working in 1998 and Rod took me under his wing in so many ways. If I ever needed a "work dad" Rod was there. My car made funny sounds on the way into work? Rod would sit there and try not to laugh as I attempted to replicate the clinking and clattering sounds of my car. My office too hot or too cold, Rod was on it. Needed help rearranging my office, Rod was there with a dolly patiently moving my filing cabinet from this corner to that corner until I found "just the right place" for it. He was truly the heart of BHS for decades. He will be missed and I feel truly blessed to have had the privilege to have known him.

“ *For me~ Rod will be remembered as the head custodian of BHS. I knew him as a young student in the 80's when I was at the high school, Worked with him starting in 2003 on the custodial team, He always showed us how, why, and a better way of doing any project we we're on! I know I personally learned may things for him that still to this day I use. Along with his kind/ positive words he always had when he knew things were going ruff. "Hang in there, Good thing will happen" I can't walk through Berkley High and not run in to something he either repaired, worked on or changed, at some point~*

Forever remembered, cherished and missed by all of us in the local 1084.

“ *My deepest condolences to the family. Rod was Head Custodian when my Mom (Dr. Jane Makulski) was at Berkley HS. She had such a respect for Rod and the hard work he did and did well. I remember Rod as being a very kind person who always had a smile on his face and something positive to say. I'm certain Rod and my Mom are catching up on old business in Heaven. May Rod rest in Peace. Prayers of comfort are being sent to the Fisher family.*
