“ We moved from Detroit in the late 40's and have since lived in California, but my cousin Bob graduated with Roger and sent the news of Roger's passing.. I was very sorry to receive it and truly regret not having seen him since high school. My dad came from California each Fall to sell wine grapes in Detroit and we often stayed with the Angellottis for 6-8 weeks. I went to school with Roger at Lapham, AP Jr. Hi and one year at AP High School. He was a year older; a big brother and protector for the skinny little kid from California. Clara and John were very good to us. We had so much fun at their home; pool in the basement, football, listening to the boys play piano, Peppina's Pizza, White Castle, setting pins in Oakwood, etc. I can only imagine that Roger used his talent, integrity and great sense of humor to be a fabulous husband, father, grandfather and friend. My father Peter has passed, but my mother Maria and my sister Julie are here. We all are grateful for our time with the Angellotti's in Michigan and send our very best to you. Roger was my hero. I'm so sorry for your loss. p.s. We have a bocce court in the back yard!
