“ Roger, I am sorry there wasn't more time to do some of the things we talked about, but we sure did a lot in the past! I am glad we had a chance to say good bye without the storm or the drama that some may have thought should have came with it. We will miss you always, especially when I take Trent fishing. I hope that when we catch the big one, that hopefully somehow, we will know that you may just of had a little something to do with it! We will miss you and thank you for your friendship no matter how strange things have gotten. God Bless you. Love, Len and Trenton.

“ To the Hoppers Family, and friends of Roger, you have our sincerest condolences. Roger will be sorely missed by everyone that knew him. He was one of the most personable guys you could ever know. He was a real joker, and could tell some stories!! He had a great sense of humor!!

He was a very devoted family man, he greatly cherished his children and grandchildren. Whom ever called him friend, they knew he was 100% real about how he felt. He is one of those people you will never forget, he left a mark on your heart forever.

He is off to that big fishing pond in the sky!!

Heaven got a real angel!!
