“ Roger was one of those good old fashioned Gentleman that always had a smile on his face and was always ready to accommodate. He was immediately likable guy-charismatic. Mr and Mrs Quenneville let our LOUD rock band practice in their basement-that in itself is testament to their amazing generosity!!!! I can remember Roger just loved working around his beautiful yard attending lovely flowers and garden. Every square inch of the yard was beautiful filled with his love. We will miss you Roger!!!!!!

“ Dear Quenneville Family, I just heard about Uncle Roger. I'm deeply sorry for your loss. He treated me with kindness and respect. There was always a strength and confidence from Uncle Roger that I admired. From the canoe trips on the Rifle River to the visits out at Kingsville, hearing Uncle Roger's laughter brought warmth to our heart and soul.
God bless.

“ I'll always remember Mr. Q as a great neighbor. He always in to gardening, he got the sunset neighbor and they built a beautiful blvd. Remember the Sunset canoe trips up to the rifle river. He was a member of the Sunset poker club. Always had a smile on his face. Now he can go up and join the Sunset poker club. Were gonna miss a great guy. Mr. Q thank you for all the great times.

“ Mr Q. was always ready with laughter, a smile, a great conversation, and support for all whom he loved. I remember some great JoJo birthday parties including camping in the back yard. How did he and Mrs. Q put up with our silly-girl shenanigans? Mr. Q could often be seen gardening and riding his bike around the Sunset neighborhood, a great fan of the outdoors. He will be missed, but know that he is having a good laugh in heaven with Mr. Prentice, Barb White, the Harpers...

“ The memories are endless. We were truly blessed to live on such a wonderful street with such kind neighbors. Mr. Q , always smiling...always telling a joke. I can still hear his laughter. Our family spent a lot of time at the Q's house- truly a magical time. I'm sure my Dad has a lot of stories he's yet to share- might be for the best as we know how that group loved to have fun., He's meeting old friends in heaven now and I'm sure our Mom greeted him with open arms- Treasured memories of a dear man.

“ *My fondest memory of Mr. Quenneville was him always welcoming me into his beautiful back yard. Oh my gosh ! He was so proud. He took me around the whole yard and showed me every flower and plant. It was my first lesson learning about annuals and perennials! He was a proud man. Always smiling and so loving and protective of his family.
He will be very missed.
Many thoughts and prayers for the Quennevilles. Love you very much.*

“ *My favorite memories of Mr. Q always revolved around three things...the Rifle river canoe trips, the annual block party but most importantly his care of the "island" on our street. While the work he did there was beyond beautiful...it was also a social time....all the neighbors always felt welcome to come out and chat. "Always felt welcome" was the best way to describe this man....you could always approach him, you felt totally at ease and that he wanted to talk to you as much as you wanted to talk to him. He was and is a part of a special neighborhood, a special time and a wonderful place to live. He has a better place to live now and has left so many of us...especially his great kids...so much better off....God Bless you kind sir...*

“ *I'm so sorry for the loss of your wonderful husband, father and grandfather. The Quenneville house was full of love and laughter, and a favorite hang-out when I was younger. My favorite memory of Mr. Q was just about any time he and my dad were together. They had the same sense of humor and could finish each other's sentences. To be in the same room with the two of them was a treat. He will be missed, but rest-assured, there's a grand poker game going on in Heaven. Please don't hesitate to call if you need anything. With much love, Laurie Claeys*

“ *I was just thinking of your family and sharing stories the other day with my parents. I am so sorry to hear of your loss. I will always remember our kind next door neighbors. One day as a 4 or 5 year old I had a flat tire and Mr. Quenneville came to the rescue to help get the tire back on so that I did not cause another flat. Or later on during the neighborhood canoe trip how he was there for us all and hosting a grand time around the fire. He will be surely missed. Our thoughts and prayers are with you.*

I remember our sunset canoe, trips down the rifle river. Also the time when we all planted trees and bushes on the blvd. Your dad was a great friend, and neighbor

One of the terrible things about getting old is seeing your Heroes in life pass. Mr. Q was a second father to me as Pat and I were just about brothers(when younger, we actually did the blood brother pact). The memories we had playing and hanging out at the Quenneville's from swimming in the many pools Mr. Q put up and maintained, flash light tag in the front and back yard to of course the Canoe trips.

I was just up in Royal Oak last May, and Mr Q was out working on his yard as always. Phil and I walked up to say hello and had the most enjoyable 45 minute conversation I have had in many years. I just wished it had lasted longer now. He was such a Great Man, Neighbor, Role Model and just a perfect guy.

Mr. Quenneville (and I always called him that even in my later years out of respect) was a fantastic pillar of the Sunset neighborhood community, he will be sorely missed and an impossible friend to replace. My sympathies go out to the family but want to assure them that he will be missed as much as my own Dad's passing.

May God bless you and your family.

With tears in my eyes.

Sincerely

James (Jim) Richardson
