CV

“ Roger worked at Detroit Edison for many years, providing for his family and standing by my cousin Elaine in her times of sickness. We saw him often when they lived in the Detroit area; before we all moved away. I remember that he livened up parties with his stories and his booming laugh. A favorite expression: “What a hoot!” I will always remember him.
I only recently learned about the passing of Judy. My condolences to the Madden family.

“ My memory of Roger was seeing him every year for my two annual trips to Michigan to visit family. He and his wife, my Aunt Judy, were always at holiday dinners or would stop by and visit. Roger was always so friendly and engaging. I'm sorry his obituary made no mention to the last decade of his life that he spent with my family. I'm sorry for you and your family's loss.
