“ *Uncle Roger was one of a kind, a great storyteller with a wonderful sense of humor. The world is a little emptier now without him in it, but also better for his time here with us. You will be missed, you will always be recalled fondly, anyone who knew you will never forget you.*

“ I remember when my brother was dying of cancer and I was down in the finished basement that my brother Darrell VanPamel had remodeled the whole house and I was downstairs talking to Roger and it was a good talk it was really nice. I am so saddened at the loss of him because he was such a good person. This just saddens me so much when I saw him so healthy looking and now he's gone it doesn't make any sense. God Rest Your Soul Roger your family will be thinking of you and your extended family will always be thinking of you also. It's so dang hard to lose somebody that is a good person you just don't know how to feel your heart hurts and you feel so saddened and you cry because they're gone. It's hard to bypass the tears and the void in your life. I just asked God to bless his soul and we will never forget him as long as we are alive we will never forget him. I'm just so sorry for the family and for his extended family like us because of my stepdad Bob Van Pamel there are now three people gone from that family out of eight children. May you rest in peace. We will never forget you Roger you were a great man. A devoted husband. I just am tagging on my Heartstrings of how much he will be missed. A bless the family as much as I can a bless Roger and the tragic loss of his life and it hurts really bad because we are the next ones to go and this is tough. Roger me rest in peace and Linda his wife I hope that you can hang on to Memories of Good Times. I bless you all as much as I can. He will never be forgotten he was a good man.

“ I will miss your wonderful sense of humor Roger. One of my memories was when you helped me put up the Christmas tree. We got the tree in the stand and I said now to put the lights on. The lights bulbs were in one box and the strains were in another one. You told me putting the lights on isn't a problem as you picked up the box with the light bulbs and throw them on the tree. As all the bulbs trickled to the floor you said see no problem. I laughed so hard, you could always make me laugh. You have always had a special place in my heart and still will. Rest at peace now Love you

“ *Roger and I had our own greetings every wednesday, for some weird reason, names in 24 people league was hard to recall, so Roger always welcome me on Wednesday morning with "Hey You". It was always a pleasant greeting and I always reciprocated with Hey You. Roger was very reasonable about our conversation and I did see Roger on Television which he appeared at a council meeting. We had very interested conversation about his presence at the council meeting and concern about his community. Roger will be remembered by me for his kindness and his friendship. Rest i.n peace Roger.*

“ I’ve known Roger what seems like forever. We share being Godparents to our Nephew Fred. Roger’s love for his family was always apparent in all that he did. Roger was kind hearted, thoughtful and always tried to make you laugh. He will be missed. My thoughts are with Linda and his family.

“ My uncle Roger loved to tease the little kids. My daughter, Lauren, was about six years old when he asked her to spell her name? She proudly shouted out “L-A-U-R-E-N” and he would say “C-E” “LAURENCE!” She would be so mad...every time she fell for it!!! She is now 30 years old and we still bring up this memory! He was a warm, caring, and soft hearted person! Prayers of peace for his family.
