“ Words cannot express how grateful our entire family is for the outpouring of support we received during this difficult time. Although we wish he would have stayed with us longer, we are thankful for all the years we had with my dad. He had a great life, full of friends and family. In the end, that is his greatest legacy.

“ We have so many fond memories of family get togethers with the Briskeys and their off springs including a wedding! More recently it was a grandson's high school graduation and a blue/gold party. We'll miss Ron. We send the family our love and sympathy.
