

Ronald E. Irwin

January 7, 1942 - July 2, 2024

Ron was born on January 7, 1942 and passed away on July 2, 2024, due to complications from Alzheimer's. He is survived by his children, Denise Irwin, Susan (Michael) Banaszewski, Cinthia (Kevin) McCleary and Ronald (Tina) Irwin, 5 grandchildren, 5 siblings, and a bonus daughter, Marlene (Charlie) Thrope. He was predeceased by his beautiful wife, Paulette Jan Irwin, his loving companion, Helen Doris Savoie, his parents, Robert Carlton and Betty Jean, and his 3 siblings.

Ron loved road trips, fishing, animals, and country music, but his greatest love was his family. Ron was a Jack of all trades. He was a carpenter, automotive and cabinet painter, owner of an automotive collision repair shop and quality control supervisor. He knew a lot about a lot but loved his life simply and humbly. Ron gave himself to Jesus and was baptized in Jesus' name on Easter morning 2022.

Alzheimer's is a cruel disease that robs a loved one of their precious memories and can be very difficult for their loved ones to experience with them. However, we believe it was his love for his family that kept him going.

A private memorial has already taken place.

“ He loved his children and included me as well in the family. My mother was made to feel very welcome in Michigan she shared her love for his family it was a beautiful blending of later in life love. I share a sister who I love from their joining. I am so blessed for their union.
